BREAKFAST PROVENANCE STORY

The full breakfast became popular In the British Isles during the Victorian era, and appeared as one among many suggested breakfasts in home economist Isabella Beeton's *Book of Household Management* (1861).

Our Farmers Club breakfast sets you up for the day! As Oscar Wilde once said “Only dull people are brilliant at breakfast”. So relax and enjoy the selection of wonderful British produce.

We have a range of Teas and Infusions from Newby Teas in London to compliment your Breakfast experience.

Enjoy,
Chef
